

# HOW TO BE A FATHER

The husband is the head of the wife even as Christ is the head of the Church, and he is the Saviour of the body. (Ephesians 5:23)

*Saviour means – deliverer and preserver.*

*Jesus purchased us and delivered us with His love, that's why we can submit to Him.*

Honor equates to value. Jesus values us therefore, we can submit to Him. Men must earn honor with love, then his wife and children will be willing to submit to his authority. A man must first have authority over himself before he can lead a wife and children.

The position of headship must be totally submissive of God. If any means of force or manipulation is being used to demand submission, that equates to a spirit of anti-Christ, which is a part of the curse of the Law (Genesis 3:16). Remember, Christ has redeemed us from the curse of the Law so that the blessing of Abraham might come upon us (Galatians 3:13-14). Headship is a place of authority and direction which must be earned, i.e. accomplished by love; for God so loved the world He gave His only son.
