

### ***Starting Over: Plan***

Acts 1-4

1. The plan is to begin with the right \_\_\_\_\_ (Haggai 1:5-6; 2:10-14)

A. Are we what we are because of \_\_\_\_\_?

B. Do we do what we do because of \_\_\_\_\_?

2. The plan is to follow the \_\_\_\_\_ for the church

A. Step 1 is to \_\_\_\_\_ (1:4;14)

a. for the \_\_\_\_\_ (John 14:25; 16:6-11)

b. not for details about the \_\_\_\_\_ (Acts 1:6-8)

B. Step 2 is to \_\_\_\_\_

a. by \_\_\_\_\_ among our peers (Acts 2:14;22;29)

b. by \_\_\_\_\_ (Acts 3:1-4:13)

C. Step 3 is to \_\_\_\_\_ (Acts 2:41-45; 4:31-37)

a. the \_\_\_\_\_ of the Spirit creates \_\_\_\_\_ need

b. the \_\_\_\_\_ of the Spirit is \_\_\_\_\_ obedience

### **Conclusions**

1. Our actions \_\_\_\_\_ our claim to faith.

2. Our attitude reflects our \_\_\_\_\_.

## Connect Group Questions

Starting Over: *Plan*

1. Ponder these questions: *are we what we are because of what we do? OR do we do what we do because of what we are?* Which of these do you think more accurately describes our identity as Christians? Why? (1. A-B)

2. Something we see the early church dedicated to was prayer (Acts 1:14, 2:42). Take a look at one of these prayers in Acts 4:23-31, how does it compare to your typical prayers? (2.A)

3. We also see the early church “playing” (or engaging) others for the Gospel. They do this by talking about Jesus and reflecting His influence. Why are both of these important? (2.B)

4. This week we learned *the working of the Spirit creates financial need*. Do you agree or disagree; *why?* What does it mean to you to know the Holy Spirit views you as part of His solution (Acts 2:41-45, 4:31-37)? (2.C)

5. Review the two concluding points from your outline. Do your actions validate or invalidate what you say you have faith in? Does your attitude reflect a spirit of total surrender? Explain.
