

Proverbs 29:18a says, “Where there is no vision, the people perish.” KJV

In everything in life, we need vision. Vision gives us purpose, sets our course and allows us to see that our goals are within reach! This year’s NPEA LEADERSHIP CONFERENCE is intended to help you take your churches vision to new heights. “Taking the NEXT STEPS – from vision to victory” is our theme. We wish to invite you to join us, March 2nd and 3rd at North Point Christian Church in Spearfish, SD, as Phil Claycomb takes us from vision to victory.

This past week I had the opportunity to be a part of an assessment team for four couples who are interested in becoming church planters. It became evident very early that they all had a passion and a vision for the church. I look forward to seeing the impact in the lives of others that these individuals will make in their future ministries.

Prayers are continually needed for the new church work as it moves forward in Sioux City, IA and Hastings, NE and as we continue to seek a planter for Aberdeen, SD. Our partnerships with CEM of Iowa, Nebraska 1:8, and Nexus are working hard to reach the lost and establish more churches across the northern plains. These partnerships will help us reach our goal of planting at least one new church each year.

Your continued support is needed as we seek out other communities that need Christian churches. Last year our funding was down slightly from the year before, but we still were blessed to move forward and help make the Sioux City and Hastings plants a reality.

We request prayers also for those who are working to plant churches just beyond our borders in Montana. NPEA prays that this effort will come to pass and that God’s Kingdom will grow in the Big Sky country.

So, as you can see much is happening here at NPEA, but I also ask for prayers for our churches in Spearfish, Laramie, Bismarck, and Sheridan as they grow, reach their communities and preach the truth, all while seeking to grow closer to the Father. Pray for Matt, Adam, Derek, and Ryan, their families and staff as they take the Good News to the northern plains.

There is an old saying that says “If you aim for nothing, you will hit it every time!” So, come join us at this year’s Leadership Conference and set the vision for your churches future.

See you there!
Craig Fausett
