What Is Your NPEA Story?

"We never knew that mission trips in the US were just as exciting when we helped at Revive Christian Church's birthday service."

"Going on an NPEA 3 Day Prayer Walk has taught me so much about applying what I learned to my own community and my personal life."

"Being NPEA financial partners gives us a sense of being directly involved with planting new churches in different sized communities that are not always on other organization's radars."

These are just a few of the reflections shared by our partners about how their service alongside NPEA has been a positive experience on their own lives, often expanding to their children, grandchildren, and friends.

With a mission grounded in fulfilling the Great Commission by Multiplying Disciples, Churches, and Planters NPEA is dedicated to assisting others in identifying their place in God's story. NPEA continues to hold a special place in the lives of many people that have attended an NPEA planted church as well as those who partner with us on the front end of bringing a new church into existence on many different levels. NPEA is richly blessed by the generous gifts of time, energy, expertise, prayer, and financial resources shared by people like you.

We want to hear from you! Why do you partner with Northern Plains Evangelistic Association or one of our sponsored church plants? We'd love to hear your thoughts, memories, and stories about your experiences. Pass them along in a sentence or two, a paragraph, a poem, or a page and share your own favorite NPEA and/or church plant related story.

Our goal is to let you, our partners, tell this ministry's story by letting you tell your story about NPEA or one of our sponsored church plants. Thank you for helping us gather a treasure trove of NPEA testimonials that will continue to "tell the NPEA story."
