

## Sermon Reflections

5/12/13

1. Share about a time when someone acted badly toward you. Have you experienced the “revenge cycle?”
2. When have you been tempted to do the wrong thing to get good results?
3. What are the areas of life that you most desire to control?
4. How is fear threatening to grab your heart?
5. Are you currently scheming to bring about some result without waiting on God to move?
