PREGNANCY TEST CENTER

Sav-A-Life

Local Mission Opportunity

“Sav-A-Life is a comprehensive pregnancy care ministry that is dedicated to offering free and confidential services in a loving environment to women, men, and families facing an unplanned pregnancy. Sav-A-Life Pregnancy Test Center offers hope by providing help and emotional support. In the words of TIME magazine, pregnancy centers are the “kind, calm, nonjudgmental” face of the pro-life movement (article).”

They work on a volunteer basis for a lot of the clerical work as well as counseling. Volunteers start out just answering the phone, running tests, and loving on the patients. After you do the clerical work, if an interest to counsel is sparked, you can train to be in the counseling room with the girls where they are asked about their home life and most importantly their spiritual beliefs. It is a place where the gospel is present and seeds are planted on a daily basis.
