

DESIGNING YOUR LEGACY...

pass on your values
not just your valuables

Lots of people give you advice.
FPM builds your trust.

DESIGNING YOUR LEGACY ALLOWS YOU TO...

- **pass on your values** // Preparing for the future reflects good stewardship and protects the things that mean the most to you.
- **save yourself and your beneficiaries time and money** // Establishing a living trust may lower your estate taxes and will eliminate probate. On average, this saves your loved ones 9 months to 2 years and \$16,000 to \$60,000 in probate, alone.
- **have peace of mind** // In your legacy plan, you can ensure your desires on medical decisions, guardianship of your minor children, and distribution of your valuables will be fulfilled. Your instructions are legally binding and guaranteed to be followed.

FINANCIAL PLANNING MINISTRY...

provides estate planning services, including the creation of wills and living trusts. Serving the Christian Community for over 25 years, FPM provides stewardship and estate planning seminars and assists individuals in the creation of their personal Estate Plan.
