FIRSTSERVE

Have you been attending Northside for a while and wondered where you could serve? Or maybe you have never even thought about serving in some way?

It takes a lot of volunteers to come together to make Sunday mornings run smoothly - - from the person singing on stage to the person changing diapers in the nursery

Beginning today there will be a table in the Lobby with a sign for FirstServe. You can check there to find areas that are always in need of volunteers. There will be someone there to help you if you need it or you can take a flyer home and pray about where you feel you should be serving.

Take this opportunity to become involved. You will be glad you did. When you serve others, you will be blessed in ways you cannot imagine.
