Northwest Tampa Church of Christ
PREACHER / MINISTER JOB DESCRIPTION

POSITION SUMMARY:
The Northwest Tampa Church of Christ is seeking an experienced preacher who is knowledgeable of the scriptures and has effective preaching, teaching, and interpersonal skills. The preacher will be part of a four minister team who will work together, under the oversight of the elders, to spiritually strengthen a diverse 350 member congregation and bring the lost to Christ. The pulpit will be shared with the other ministers and guest speakers. Other responsibilities will be assigned to each minister based on their experience, attributes, and interests.

DUTIES AND RESPONSIBILITIES:

- Preach
  - Preach scriptural lessons with personal and practical applications
  - Will deliver the majority of messages from the pulpit, however will share preaching duties with the other ministers and guest speakers

- Teach Bible Classes
  - Effectively communicate how the scriptures relate to our lives today
  - Teach classes that edify and strengthen our members

- Community Outreach
  - Participate in leading and developing efforts for our congregation to look outside its walls to actively seek and save the lost in the local community
  - Effectively engage membership in activities that benefit the community and provide outreach opportunities
  - Bring individuals to Christ through example, teaching and encouragement

- Work as a member of a four minister team to strengthen and grow the church
  - Encourage and equip our members to serve
  - Participate in publication of weekly bulletin and other communication media
  - Participate in planning adult education programs
  - Participate in member and guest visitation
  - Perform weddings and funerals as requested

EDUCATION AND EXPERIENCE:

- Ministry degree from a Christian University and/or School of Preaching preferred
- Experience growing a mature church both spiritually and numerically
- Experience in bringing non-Christians in the community to Christ
- Bilingual (Spanish) desirable, but not required
