## **Giving From A Thankful Heart**

offering which we receive the Sunday before Thanksgiving. Let me encourage you to begin praying about what kind and size of gift would truly express to God how thankful you are for all He has done in your life. Remember the "rule" for the offering...you can only bring what you can give with a **thankful heart!** We don't pressure or manipulate people to give. We simply let you have an opportunity to show God how grateful you are!

Make this Thanksgiving season your best ever-by being thankful to God for ALL He has done for you!

Your pastor and friend,

Hey, Oak Street, I truly believe that we are on the verge of **REVIVAL!** God is moving in our midst and He is leading the way for us to experience **MORE** of Him than ever before! As we have said many times...the way of God is the way of **FAITH!**

Have I said before that I **LOVE** Thanksgiving?! Well, I do, and if there is anyone on the face of the planet that has something (many things) to be thankful for, it is me! I am a truly blessed man and I want to express my thanks to God in as many ways as possible! Cont.
