Dr. Steven C. Cromer, Pastor

A graphic for a Bible Study (VBS) program. It features a desert landscape with sand dunes and a single palm tree. In the foreground, there is a large, stylized illustration of the Babylonian ziggurat. The word "Babylon" is written in large, green, bubbly letters across the ziggurat. Below it, a banner reads "Daniel's Courage in Captivity".

Ages 3 years old-rising 5th graders.

Greetings!

Your response to "**40 Days of Community**" has been excellent! Thank you! To date, we have distributed close to 400 devotional books, with many couples sharing a book. So, the number of you reading these challenging devotionals on a daily basis is high. That's wonderful! Who knows what God will do through this tool if we simply open our minds and hearts to God's Spirit?

Also, those participating on Wednesday evenings with the videos has been good as well. We've averaged approximately 120 to this point. And, from what I've observed, you seem to be enjoying Warren's simple, but direct and challenging talks, as well as the fellowship and discussion afterwards. I remind you that we'll need to view our video this coming **Wed., July 18th, in the sanctuary** due to VBS. Then we'll be back in the fellowship hall the following week as we begin to wrap up our "40 Days of Community". Let's keep up the good work! We want to finish strong!

Before I close, I want to thank you for your response to our **Q & A** sessions. They seemed to be very helpful and we appreciate all your input! As I said there, we are certainly open to "tweaking" this new schedule now or later. In fact, several folks made the suggestion that we move the entire new schedule up by 30 minutes. In other words, instead of starting the new schedule at **9:30** and ending at **12:00**, they are suggesting we start at **9:00** and end at **11:30**. This may be especially helpful for parents with young children, as well as for those who may have to go to work. I realize no schedule change is going to be convenient for everyone, but this suggestion seems to be a good one. **What do you think? We'd like to hear from you!** Is this an improvement on the new schedule or not? I invite you to share your thoughts with any staff member at your convenience. Thanks! Look forward to hearing from you!

In Christ,

Everett

Childcare

Childcare is provided during all services for babies through 5 year olds. The new system, **Xtra**, uses the Promiseland Bible story of the day and reinforces it with activities and games using the central theme. In this way, your child will be learning the same ideas about God whether he/she is there for one hour or an extended part of the morning. All of this learning at any hour is interspersed with age-appropriate play, music, and more.

Promiseland/FX Welcome Team

7/15— Bill Moore

7/22— Don Weaver

Family Experience, for K-5th graders and their parents, meets on the first Sunday of each month at 10:10 am. All other Sundays, please join us for **FX Groups** at 10 am. Here, children have age-appropriate small groups upstairs, while their parents can study the same Bible passage, but in their own adult small groups in the Parlor. Questions? Call Beth Douglas, 449-3384.
