Walter and Mary Maxey
with Kagoshima Christian Mission
The Maxey’s minister with churches in Japan.

Walter and Mary Maxey are missionaries with Kagoshima Christian Mission in Kagoshima City, Japan. They have been serving in Japan for over 30 years, following in the footsteps of Walter’s parents who ministered in Japan for 50 years and were instrumental in the founding of seven churches there.

Walter serves as the full-time minister of the Yoshina Church of Christ, where he preaches each Sunday, teaches weekly Bible studies and leads the church in evangelistic outreach programs. Mary assists with the ladies’ meetings, the children’s program and other administrative duties.

In addition, Walter preaches weekly at the Kokubu Church of Christ, assists other churches which are presently without ministers, and is active with the Osaka Bible Seminary. He also serves as Chaplain of the Kagoshima prison where he teaches a monthly Bible study. Since the Japanese are always eager to improve their English, Walter teaches English Bible classes at the Kagoshima Church of Christ and Mary teaches English part-time at the Kagoshima Prefectural College.

Less than 2% of the Japanese population is Christian, so pray for Walter and Mary as they continue their ministry and pray that others will follow in their footsteps.
