

**Christ Tabernacle Ministries of Excellence
Cincinnati, OH**

Omega is master-planning a new 12 acre campus for Christ Tabernacle to ultimately develop new facilities for worship, education, fellowship, recreation, and community services.

The 'Phase 1' Sanctuary will seat 1,025 and will include a large 2-story Foyer, Bookstore, Two Nurseries, Administrative Suite, Conference Room and five Classrooms. The 'Phase 2' Sanctuary expansion will double the seating to 2,184 and will add a Hospitality Center, and additional large Meeting Rooms, Offices and Classrooms. The campus will feature a Day Care for 91 children in 'Phase 1' and 150 children in 'Phase 2'. A regulation high school gymnasium will seat 290 spectators and will include locker rooms and a fitness center. The gym will be integrated with the Community Center that will include a commercial Kitchen and Cafe, large Meeting Rooms, Computer Labs and Art Rooms.

The design also features a state-of-the-art multimedia equipped Lecture Hall seating over 150. Additional Offices, Conference Rooms, and support facilities are included for the Community Service, Day Care and Educational functions of the new campus. Omega has created a 3D computer model and a video presentation of the proposed new facilities.
