

**Life Covenant Sanctuary  
Bradenton, FL**

Life Covenant Sanctuary (formerly The Pentecostals of Bradenton) acquired a beautiful 5 acre lot along Interstate 70 that was bounded on two sides by a creek with trees. The site required a great deal of development to meet Manatee County ordinances. Special attention was given to wetlands issues, storm water drainage, landscaping and utilities. A 750' city water main extension was required as well as two on-site detention ponds.

Omega designed the church for three phases of development. The 17,537 s.f. Phase One building has been constructed by Omega and includes a Sanctuary seating 426 on the main floor, a large platform and seating for 41 in the choir. The main floor of the church features a Foyer with vaulted ceiling, Bookstore, six Classrooms, and a Pastor's Office connected to the Platform. The upper level includes a Balcony for 220, two large Classrooms, Baptistry, Dressing Rooms and Laundry.

Phase Two construction will include a 2,763 s.f. expansion with a Multi-Purpose Room, Kitchen, additional restrooms, and a large Nursery. Phase Three is also 2,763 s.f. and will include a new office for the Pastor connected to a large Conference Room and the First Ladies Office. Phase Three also adds two more classrooms and converts the Pastor's original office into a Choir/Drama Room and Pantry.
