

Sermon Outline for October 15, 2017  
Prepared by Pastor Dan Bonney

**"God Is Throwing a Party and You Are Invited!"**  
**Matthew 22:1-14**

Why wouldn't you go?

We think we have better things to do

We accept His grace partially. We accept the gift of grace of salvation, but not the appropriate response of discipleship.

We really want to follow God and accept His gracious invitation, but are not willing to release old patterns of dealing with life.

We don't really believe we belong.
