

Opportunity Christian Fellowship  
Sermon Notes for November 12, 2017  
Prepared by Pastor Dan Bonney

**Wait for it, Wait for it...  
Matthew 25:1-13**

**God's reign in our lives often means waiting...**

We wait for God's promises to us to be fulfilled, for God to move in our lives.

We wait for God's ultimate return, for Jesus Second Coming, for all to be made right.

**The difference between wise and foolish is not that they \_\_\_\_\_, but that in the waiting the foolish \_\_\_\_\_.**

**What does running out of oil as we wait look like?**

**We need to remember a few things about waiting.**

**What about waiting do you need to trust God with this morning?**
