

**"When I Say Holy, You Say... Immigrant?"
Leviticus 19**

Leviticus 19 gives us another perspective on holiness

What phrase is repeated again and again?

We are holy because God is holy and we are His.

2 Corinthians 5:20; I Corinthians 1:2

Holiness is union with God

To be a holy people is to belong fully to God.

God's holiness in us is seen by what we do, by our actions.

God's holiness is seen by how we treat others.

And it seems like God is especially concerned with our use of

_____.

How we use our _____ power.

How we use our power over the _____ to build them up or to tear them down.

God's holiness is seen in us by our actions towards others and especially towards those who are most vulnerable.

What is our response to the immigrant issue in our country?

Resource:

G92 began at Cedarville University (Ohio) in October of 2011. It takes its name from the ninety-two references to the ger—the immigrant, in Hebrew—in the Old Testament. Students, faculty, and administrators at Cedarville joined together with individuals from about twenty other colleges and universities to hear biblical teaching, to raise awareness about the realities of immigration, and to equip Christian college students across the country to learn from, minister to, and advocate with immigrant communities.
