

**"You're Not the Boss of Me!"
Exodus 20:1–17**

Big Idea: The 10 Commandments are the clearest lens into God's character and His good intention for our lives.

What do we learn about God?

1. God is a God of authority

He Actually is the Boss of Me!

2. God is a God of relationship

Rules without relationship lead to rebellion

3. God is a jealous God

He is passionate for us

4. God is a God of freedom

We like freedom 'from', He moves us to freedom 'for'

5. God is a God worth following

What we 'give up' is actually a 'trade up'
