**"Expect Resistance When You Do Justice"
Mark 3:20-22**

What did Jesus do that stirred up His family and the religious authorities of the day?

Jesus was simply following His mission. Luke 4:18-21

Jesus' mission was to restore to human beings the dignity and worth that we were originally created to have. The Bible has a word for the action of treating human beings with dignity and worth. Justice.

Jesus willingly disadvantaged himself for the advantage of the vulnerable around Him.

This stirred people up.

His own family
Jesus was crazy.

The religious authorities
Jesus was a devil.

What is our response to this; that Jesus would disadvantage Himself for the advantage of the vulnerable?

1. Will you say to Jesus "I Am Vulnerable"? Psalm 51:16-17

2. Will you follow Jesus in doing justice by willingly disadvantaging yourself for the advantage of the vulnerable among us?

And who are those vulnerable?

Will you ask God to lay on your heart, open your eyes, to the vulnerable that He wants you to disadvantage yourself for?
