"Don't Give Up"
Mark 4:26-29

How much control does the farmer have over the transformation of a seed from a seed into a beautiful plant?

What does sowing look like to us?

What does the seed growing and becoming a beautiful plant look like?

What does the farmer do?

So what do we do?

We affirm that only God can do the work of radical transformation and we are not God.

Our work is faithful patience.

How do we affirm that?
Philippians 1:6

Ecclesiastes 3:1-2

Romans 8:28

All of these affirmations lead me into praise and joy!
I praise Him for His work, Psalm 22:1-3, I Thessalonians 5:16-17
