**Who Are You Listening To?
Mark 6:14-29**

Whose voice are you listening to?

There is a very sad story in the Bible about a king who murdered someone. I want us to read this and ask the question; whose voice was he listening to? (Mark 6:14-29)

Who was King Herod Antipas?

Whose voice was Antipas listening to?

What is your identifier? Whose voice are you listening to? What is your name?

Are we destined to repeat the sins of our fathers?

Can we change our name?

Can we change who we are listening to?

What other King in the Bible killed someone to satisfy his lust?

How did his story end? (Matthew 1:1-16)

Are you listening to Jesus? Are you listening to Jesus' voice?
