

## Palm Sunday Parade based on Matthew 21:1-11

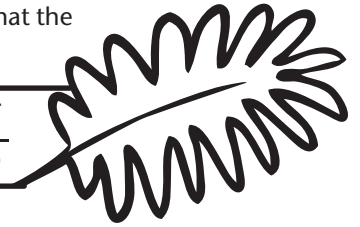

Jesus was close enough to see the city walls. He said to two disciples, "Go to the village and bring back a donkey and a colt."

They took the donkey and the colt to Jesus. Disciples laid their outer clothes on the donkey and Jesus climbed on it. Off they headed to Jerusalem!

People lined the street. They laid their outer clothes on the road before the donkey passed by. Some people placed palm branches there, too. Crowds of people gathered and shouted, "Hosanna to the Son of David! Blessings on the one who comes in the name of the Lord! Hosanna in the highest!"

Solve the problems below, then use the code to see what the people were saying as Jesus came into town.
