

## Jesus Preaches, Prays, and Heals based on Mark 1:29-39

One day, Jesus and the disciples went to the house of Simon, who was one of the disciples. They found Simon's mother-in-law sick in bed. Jesus healed her—her fever vanished! She got right up and began to serve her guests.

At sunset, a crowd of sick people gathered around Simon's door. Jesus healed many people that night.

Early the next morning, Jesus walked out into the countryside to find a quiet place to pray. When the disciples woke up, they found more sick people waiting on Simon's doorstep. They went looking for Jesus and told him, "People are searching for you!"

Jesus said, "It's time for us to move on to other towns. I need to proclaim the message of God's love in those places, too. This is what God wants me to do."

Jesus and the disciples did just that. They journeyed all around Galilee, teaching about God's ways and healing many people.

Write what each picture is in the spaces beside them. Write the numbered letters on the lines below to see why Jesus needed to leave where they had been staying.
