God Gives the Ten Commandments to Moses based on Exodus 20:1-17

God knew it was hard for God's people to remember that they belonged to the Lord and how to treat one another. So God gave Moses the Ten Commandments written on two flat pieces of stone. God told Moses to teach these words to the people. As long as the people remembered to follow the Commandments, they would remember that they belonged to the Lord and would treat each other well.

Here are the words God gave Moses for the people:

Worship only God. Do not make idols and worship them. Do not use the name of God in disrespectful ways. Remember the Sabbath day and keep it holy. Respect your mother and your father. Do not murder. Be faithful in marriage. Do not steal. Do not tell lies about other people. Do not long for anything that belongs to someone else. Do not tempt people to be unfaithful to their families.
