

Jesus' Family

based on Mark 3:20-35

Jesus and his disciples traveled around the countryside, telling the good news of God's love to everyone they met. Going here, going there. Showing God's love everywhere!

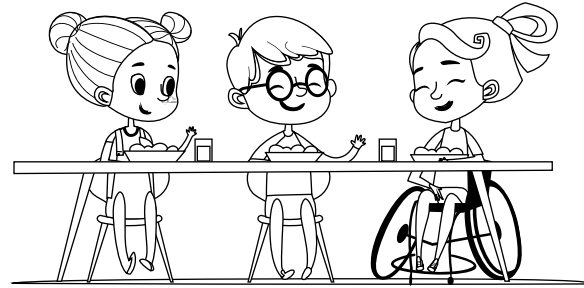

Some people didn't like what Jesus and the disciples were doing. They did not want Jesus telling about God's love for all people. But Jesus and the disciples kept telling the good news anyway. Going here, going there. Showing God's love everywhere!

One day when Jesus was teaching a large crowd, his family came to visit him. Jesus saw them coming and said something very surprising: "My family is already here. My family is sitting all around me."

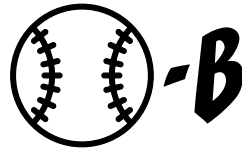

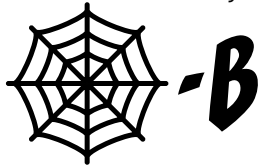

The people who heard Jesus' words were confused. They wondered, "What does Jesus mean?"

Jesus teaches that we all are part of God's family. Jesus' followers are brothers and sisters for each other.

Color the pictures that show God's love.
