

NEW
Wine
SERVICE

NEXT SUNDAY, FEBRUARY 18TH

We are having a new wine service which is a metaphor for renewing our intimacy with God and one another. It is only when we put away the old wine skin, the unhealthy patterns of behaviors and emotions, in our relationships that, God can pour out new wine into our lives.

Valentine's Day is this week. We often focus on our romantic relationships. But we all have more than just romantic relationships. In this service you will have the opportunity to reflect upon and renew your important relationships.

"And no one puts new wine into old wineskins. For the old skins would burst from the pressure, spilling the wine and ruining the skins. New wine is stored in new wineskins so that both are preserved."

- (Matthew 9:17)
