To Make Him Known: the Church

Jesus is alive!

Jesus is still at work in the world! He's still feeding the poor. He's still at work healing the sick. He's still teaching people about God and His love. He's still inspiring people to leave their lives of sin.

"Wait a minute!" You might say, "If Jesus was still around there would be some YouTube video out there or something! Besides, doesn't the Bible say Jesus went up to heaven?"

The Bible also calls the Church "the Body of Christ". That means when Jesus wants to help someone, or hold someone, or encourage or teach someone, He works through the Church.

And, this is important, the Church is NOT a building. The Church is the people who have put their trust in Jesus and follow Him. The church is YOU.
