

## Week 4

### It's Worth it!

- *In Week 2 or 3, take pictures of people in your church that know Jesus. Take pictures with a camera in your church and show them to your kids.*

We do church together and bring people in because Jesus asks us to. Someone invited us to church. We talked about it in week 1. He wants all of us to go to Heaven. Church is a place where we continue to be encouraged to grow so we can show others how to accept Jesus and live for him so they can tell people about Jesus. The church expands in this way both here and all around the world! We start Churches so more people will know Jesus!
