## OUR REDEEMER CHRISTIAN PRESCHOOL REGISTRATION

Our Redeemer Christian Children's Center is a licensed and nationally accredited program that offers a preschool program with a unique 2-year curriculum for children ages 3-5. Our program follows Scholastic's Big Day for PreK curriculum for children 3-4 years old (2 years out from kindergarten) and Easy Breezy Preschool curriculum for children ages 4-5 (attending kindergarten the following year). Children learn numbers, shapes, colors, patterns, matching, pre-math, and pre-reading skills while being taught by highly-qualified, loving teachers in a Christian environment. Learning activities are taught through hands-on activities using colorful manipulatives, books, music, and games.
