## UPDATE ON BUILDING

At the May meeting of the MLC they approved the recommendation of the building committee to contract with Beckenhauer Construction, to serve as our Construction Manager at Risk.

Beckenhauer's first task will be to verify the cost projections provided by our architects TSP. Once this is completed in early June, Beckenhauer and TSP will begin working hand in hand to develop the next set of drawings for the congregation's approval.

They will also be looking for ways to remove 1.4 million from the first phase of the project in order to stay within our current budget.

Continue to pray for of committees, architects and construction manager at this time.

**Total Donors – 240**

**Total Pledged - \$4,095,018**

**Total Rec'd - \$1.8 million**
