Pointing Youth to Christ

Wild Wednesdays

Wild Wednesdays are weekly summer events for youth entering grades 7th-12th in the 2018-19 school year. Each Wednesday we will join together for a wild adventure. Youth should be dropped off and picked up promptly at the time indicated each week.

This booklet gives you all the information needed for the events. Check the bulletin, 3:18 Facebook page or Twitter @Transform318 for updates and/or changes to events. Please note that certain activities have a cost to them, these costs are either to be paid for by the youth out of pocket or from their youth account funds (let Church Office know by the Tuesday before the event). Some events will need the money to be given to the supervising adult to help cover admissions and travel costs (please bring cash) at the beginning of the event.

To reserve your spot for traveling events please **REGISTER ONLINE** at oursav.org under youth ministry. All events require a updated 2018-2019 medical release form for each youth. Medical release forms are available in this brochure and by Room 3:18. When we ask you to bring a food item to share please refrain from peanut food items due to allergies.

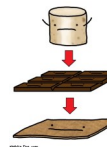

This summer our Youth Summer Intern will be Evan Johnson. Evan just completed his first year at Concordia University, Nebraska, where he is a part of the DCE program. He is very excited to be a part of Our Savior's youth ministry and to help guide youth through a small step on their faith journey. Evan has spent many years as a Lutheran summer camp counselor and loves the outdoors, he also has a passion for music and loves to glorify God through song! He will be helping with many various events this summer like Wild Wednesday's, Sunday night bonfires, and much more! If you need assistance with any events or just need someone to talk to please contact Evan at 417-217-6992
