Choose Your Own Electives

Students will have the opportunity to experience a true “Taste of the Fine Arts.” Each student is asked to pick one elective from each of the following categories. All electives are custom designed and carefully crafted to meet the needs of each specific age group. In addition, each Fine Art Elective is taught by a professional in that field who also holds a specific connection to Our Saviour’s and its ministries through music, art, dance, drama, and puppetry. Furthermore, each elective is limited in class size so as to provide maximum teacher-student direct instruction and hands-on learning opportunities. Classes will be filled on a first come, first serve basis; therefore, register early to ensure your student’s placement in all requested classes!
