

WHY ATTEND *THIS* LABOR & EMPLOYMENT LAW CONFERENCE?

The **Pacific Coast Labor & Employment Law Conference** is an event you won't want to miss!

Practical and Timely Insights – Hear from some of the most influential leaders in labor and employment law. Take away cutting-edge information, in-depth coverage and practical strategies to help your own practice – we'll make it worth your while.

High-Caliber Speakers – We've filled this conference agenda with national experts in their fields to present an informative and engaging program.

Broad Range of Perspectives – You will hear analyses from presenters of various constituencies – plaintiff, management, union, in-house, government, academics and neutrals.

Outstanding Value – This CLE is the best cost-per-credit for the most comprehensive program on labor and employment law on the West Coast.

Excellent Networking Opportunities – Engage with plaintiff, union, management, academic, in-house and government attorneys from the Pacific Northwest, throughout the two-day conference, and especially at our Thursday afternoon happy hour, which will give you the opportunity to reconnect with old friends and make new connections.

Critical Scholarship Support – Your support advances the future of labor and employment law in the region. For the past 30 years, conference proceeds support labor and employment law scholarships for outstanding law students.

If you are a returning participant, a warm welcome back and many thanks for your continued support. And if you are attending for the first time, we are delighted that you are joining us.

We look forward to seeing you in Seattle on April 26th & 27th for another engaging conference!

Mary Ellen Krug Scholarship Fund

In 1987, the King County Bar Association Labor and Employment Law Section created the Krug Scholarship Fund in recognition of Mary Ellen Krug's extraordinary record of service to the legal profession. A pioneer in the field of labor and employment law, Mary Ellen Krug was widely admired among all segments of the bar for her professionalism and collegiality. Her career and dedication to service, excellence, and leadership exemplify the legal profession at its best.

Each year the KCBA Labor and Employment Law Section awards scholarships to outstanding law students from the University of Washington and Seattle University. Proceeds from the Pacific Coast Labor & Employment Law Conference and donations from the legal community have funded these scholarships as well as summer internships for local law students.
