

# SHIELD THE VULNERABLE

## DIRECTIONS

### How do you start?

- Log in at [www.shieldthevulnerable.org](http://www.shieldthevulnerable.org) or [www.nccsda.com/shieldthevulnerable](http://www.nccsda.com/shieldthevulnerable).
- It will have a pull down list and SDA is there.
- Click on **Seventh day Adventist**,
- then put in our Union : **Pacific Union**,
- Conference: **Northern California Conference**;
- then **PUC Church**.
- From there you tell your **role or job**. It is pretty easy to follow.
- You will need to **set up your own account**. This will give you opportunity to take additional courses at no cost to you and save if you cannot complete in one sitting.

If you have already done this through PREP or PUCE have them send your name to our office and conference office. They should be going through the same system.

The training and screening is being paid for by the Northern California Conference for us.

If you are a VBS Volunteer, Children's Church Volunteer, Children's Sabbath School worker or have any other duty with Pathfinders, Adventure club etc. THIS IS A MANDATORY VETTING PROCESS.

### STEPS:

- Please go to the links provided and sign up,
- Take the course and be screened. (Set aside at least 1 hour of time)
- Make a copy of your certificate and bring to the church office for our records.
- **MANDATORY FOR ALL WHO WORK WITH CHILDREN.**

*Thank you for what you are doing to make our church safe for everyone but especially for those who cannot protect themselves.*

*Sincerely,  
Pastor Wendy Witas*
