To motivate Pathfinders to master the skills of close-order drill, and to give selected Pathfinders the opportunity to demonstrate their skills.

Skills Required

Ability to recognize and correctly respond to close-order drill commands given by drill master. ALL commands will be from the "PATHFINDER CLUB DRILL MANUAL" and/or standing commands pages 1 and 2 and moving commands page 1 of the "PATHFINDER CLUB DRILL DVD 'THE BASIC'".

Participants

ONE Pathfinder participant, in complete class "A" uniform as outlined by the North American Division. NO sash, will be allowed. The drill-downs will be by conferences.

Procedure

Participants will follow close-order drill commands from Drill Master for a designated time period (3 min). Each conference group will be judged solely by six assigned judges. The Pathfinder will continue to participate in the Drill-down until a judge determines an error has been made. At that point, the Pathfinder will be removed from the Drill-down and given the place earned as per the "Scoring" section below.

Judging

Judges will be assigned to a particular Drill-down group and will NOT judge participants from their own conference.
