

Escrip at Padre Serra Parish supports St. Vincent DePaul

In these difficult financial times, it's hard to find just a little extra to help others. At Padre Serra, our eScrip program does just that & it doesn't cost you anything. All you need to do is shop and eat where you already do. Nothing out of your way, nothing out of your pocket & yet you can help so many.

Please help us get our eScrip program back on track.

How it works

- You register any one or all of your existing grocery loyalty, debit and credit cards for use in the program.
- Participating merchants will make contributions to Padre Serra, based on purchases made by you, just by using the cards you have registered.
- Your purchases are tracked and available to you online, allowing you to see just how much you have contributed.

Security

Is it safe to be giving your credit card numbers out in this way?

ESI has contracted with a national processor who provides state-of-the-art technology for administration of the eScrip program. The ESI's process involves flagging these card numbers for program use. The participating retailers provide the processor with the purchase information so a donation amount can be applied. ESI's systems have met the strict requirements of the participating merchants in the area of security, safety and confidentiality.

What about privacy and security of my personal information?

ESI places a tremendous value on the relationships it has with the eScrip program participants across the country. Safeguarding personal information is one of their highest commitments. ESI will not license, sell, exchange or distribute any specific information about its eScrip participants to any third parties who are not directly involved in the eScrip program. By participating in the eScrip program, you are authorizing ESI to use information relating to your registered card transactions for the limited purposes of processing rebates to Padre Serra to be used by the St. Vincent DePaul to help the needy in our community. No purchase details are given to ESI for the eScrip program. Your personal information is NEVER given to Padre Serra. all we do is receive the benefits of your participation.
