

what is your river story?

'To get through the hardest journey we need take only one step at a time, but we must keep on stepping.'

Then Joshua addressed the People of Israel: "Attention! Listen to what God, your God, has to say. This is how you'll know that God is alive among you—he will completely dispossess before you the Canaanites, Hittites, Hivites, Perizzites, Girgashites, Amorites, and Jebusites. Look at what's before you: the Chest of the Covenant. Think of it—the Master of the entire earth is crossing the Jordan as you watch. Now take twelve men from the tribes of Israel, one man from each tribe. When the soles of the feet of the priests carrying the Chest of God, Master of all the earth, touch the Jordan's water, the flow of water will be stopped—the water coming from upstream will pile up in a heap. (Joshua 3.9-13, Message)

As Joshua challenged the priests of Israel, we challenge you to begin to see how God can work in your life; if only you will step into the water. If you have taken that first, crucial step, we ask that you share with us your River Story! Tell us what happened and how you saw God work. Email Park Row or call a minister to let us know how you *stepped into the water to watch the waters part*. Your story will bring encouragement and joy to others who are unwilling or fearful of taking their own first step.

Your story can change lives. Your story is important.
