

A Note from Julie

"I did not come to be served, but to serve." These words from Jesus remind us that we were created to serve God and one another in love. God has "wired" each of us to serve others with specific gifts, passion and personal style. There is a place for you to serve that is just right at this particular time in your life.

What you'll find in this Every Member in Ministry brochure are a few options to easily get involved and serve in various ministries. Obviously, all ministry and mission opportunities at Parkway Heights are not listed here. There is an additional option to talk with a staff member about more specialized areas where you may feel God calling you. Our staff would love to chat over a cup of coffee as we help you discover your interests, gifts and passions for serving because committed involvement at Parkway Heights includes serving with meaning and purpose.

Please complete this brochure and return it during worship on Commitment Sunday—Sunday, Oct. 9. Thank you for your commitment to serve. When we are willing to make what we have available to God, amazing things happen in unimagined and wonderful ways!

~~~~~

With the ripple effect, you never know when the small things you do will be what God uses to do GREAT things. We are all a part of the plan, great or small.
