

Blinky's Family Challenge

Nothing is too hard for God ... *because He made everything!*

Bigger than the Sky

God is so big, we can't even see all of Him with our eyes! He's so big, and so strong, and so powerful, He made everything in the whole wide world and everything in the whole big sky!

You'll Need

- A view of the night sky or a picture of the night sky

Directions

1. In the evening, say the Bible verse together: Jeremiah 32:17 NLT O ... LORD! *You made the heavens and earth ... Nothing is too hard for you!*
2. Talk about what the Bible verse means when it says "heavens."
3. Go outside, look out a window, or get out a picture of the night sky.
4. Help your kids notice the stars and the moon in the night sky.
