## Grapple Question:

What's So Bad About Hell?

## Kids Learn:

Being Separated From God

## Dig Into the Bible:

Luke 16:19-31; Romans 2:5-9; 2 Thessalonians 1:7-9

On TV and in movies, people talk about hell casually, as if it's not that bad to be there. We can sometimes forget what makes hell so horrible—being separated from God forever. What would be hard for your family to give up forever? Video games? Desserts? Laser tag? Challenge family members to do without something they like, just for a week. Remind each other that hell means a permanent separation from that fun stuff—not to mention God's love and goodness.
