Singing Christmas Tree

We are excited about this year's Singing Christmas Tree program!! We will be performing the first weekend in December so we have lots of work to do. We are practicing on Wednesdays @ 7:00pm in the Fellowship classroom. **We are in need of choir members and actors** for the play so if you are interested in being a part of this year's program meet us in the Fellowship classroom on Wednesdays or see MiChele Green or Vonda Belford for more information. Don't sit back and wait for someone else to do it, step up and let's make this our best Christmas program yet!!

THANK YOU

A big THANK YOU to Adria Belford and Christa Bourland, and to ALL the volunteers that made our Fall Festival a big success!!! All the hours spent planning, securing items for the silent auction, setting up, deco-

rating trunks, cleaning up and all the details no one knows about was well worth it!! Monies was raised for the Missions for Kidsfest and the community had a great time with their families. Thank you Pathway family for always coming together and making a huge job possible!!
