How to Use This Ministry Directory:

As you seek to grow in your spiritual journey, we encourage you to use this guide to find the right places for you to worship, connect, and serve. We believe that your spiritual growth can be accelerated by engaging in a combination of these three spiritual venues. First, we encourage you to participate in weekend worship services where you can be ushered into the presence of the Lord through corporate worship and relevant, engaging study of the Bible. Second, we encourage you to experience life with others in a church ministry, church Bible study, or community group where you can form deep and lasting friendships, grow in your walk with the Lord with others, and reach out to our surrounding community with friends. Third, we encourage you to use your God-given spiritual gifts, passions and interests, abilities, personality, and experience to make a positive, lasting impact in our church and city through a service opportunity. You will find ways to accomplish these objectives in a manner that fits your needs, interests, and schedule. Our objective is to walk alongside of you and your family to create an individualized spiritual growth plan to help you fully encounter the power and love of Jesus in your life.

For assistance in your spiritual journey, please contact Pastor J.P. at 392-9061 or ipmertens@yes2God.org.

The book of James outlines the faith walk through genuine religion. (1:1-27), genuine faith (2:1-3:12) and genuine wisdom (3:13-5:20). This book contains a remarkable parallel to Jesus' Sermon on the Mount in Matthew 5-7. James begins in the first chapter by describing the overall traits of the faith walk. In chapter 2 and the beginning of chapter 3 he discusses social justice and discourse on faith in action. He then compares and contrasts the difference between worldly and godly wisdom and asks us to turn away from evil and draw close to God. Finally he ends with encouragement to believers to be patient in suffering, praying and caring for one another and bolstering our faith through fellowship

Each person should purchase their own book. **Childcare provided** (RSVP required) - \$ 5/week/family, \$2.50 for ea add’l child up to \$10/family/week Requirements: Purchase **Gods at War** by Kyle Idleman
