

# Extended Session and Before and After School Opportunities

We offer extended session programs at an additional cost for those children who may need to stay beyond their regular class times. Children may be enrolled in extended sessions on the days that they attend school. Children must be enrolled in extended sessions on a regular basis. Enrollment may take place any time throughout the school year, providing there is space available.

*The fees are paid monthly to SMART Tuition Management and will be due even on the days that your child is not in attendance.*
