

Thank You

I want to thank everyone for all the cards, phone calls, visits, and prayers. The wonderful meal and the ones that prepared it for the funeral service of my wife, Betty. You all are a wonderful group of loving Christians. Thank you and God bless each one of you. I love you all!

Children's Worship Changes Coming Soon

Exciting changes are coming soon in our Sunday morning Children's Worship! Below is a brief look at some of these changes.

- Starting June 5th, we will begin offering 2 Children's Worship Experiences during our 10:30 service: one for our Pre-K and Kindergartners called "First Look", and the other for children in 1st through 6th grades called "252 Basics".
- On June 5th, we will begin checking the children into morning worship starting at 10:15, rather than dismissing them during our 10:30 Contemporary Service. All children will need to be checked in through our new electronic check-in system. If your child attends Sunday School, please pick them up from their class and make sure they get checked in to Children's Worship, before you head to the 10:30 service.
- Renovations are underway to create Loft 252, a new and exciting space for children. 1st through 6th graders will worship in this space on Sunday mornings at 10:30. Our Preschool and Kindergartners will worship in room 106.

If you have any questions about the upcoming changes, or about how you can be involved in our Children's ministries, please contact Danielle Ripley at danielle@pbcderby.com or 640-1535.

Police Appreciation Banquet

On Monday, May 16 Pleasantview Baptist Church hosted the 11th annual Police Appreciation Banquet. This banquet has been held at PBC for the last nine years. It was open to all the Derby Police Officers and their families. The guest speaker was Sedgwick County Chief Deputy District Attorney Kim Parker. Approximately 90 people came out for a steak or chicken dinner. The Police Officers and their families were served by about 15 PBC volunteers. The night ended with a drawing for the many door prizes donated by merchants of the Derby community. A special edition Law Enforcement edition of the New Testament was offered each family present.

Summer Intern Housing Opportunity

The Heart of Kansas Baptist Association employs several summer student interns who will serve Baptist churches (including PBC) in the Wichita area. Housing arrangements for three college age men has fallen through at the last minute, so our Associational office is desperately looking for a solution. If you would be interested in providing housing for one to three men in your home over the summer months (the greatest joy will be yours!) please contact the PBC office immediately. A stipend of \$25 per student per week will be given host families to help offset the cost of meals. Transportation is provided through the association.

Summer Mission Trips

Please be in prayer for the following Mission Trips that will be leaving during the month of June. Pray for safety and opportunities to lead people to become passionate followers of Jesus Christ.

This team of 32 people will be at the **Pine Ridge Indian Reservation in South Dakota** from June 4 - 12.

Good Neighbor Center

The Cottage Grove Good Neighbor Center, located in Oaklawn, serves all persons who have a need. They distribute clothing and food. Before the client leaves the Good Neighbor Center they also hear the gospel and have an opportunity to respond to what they have heard. We have had several people make professions of faith.

The Southern Baptist Convention is making church planting their priority for 2012. Because of this decision, Cottage Grove Good Neighbor Center will be more dependent on your generosity than ever! If you have questions about how you can help, please contact Ernie Hough (from the Good Neighbor Center) at 644-9341 or Evelyn Case at 788-2440.

PBC has tubs located around the church labeled *Good Neighbor Center* where you can drop off food and clothing items. Thank you for your help!

PBC Members Help with Tornado Disasters in Kansas and Missouri

Elmo and Ina Brawley and Jack Flippo are part of the Disaster Relief Team with Kansas Nebraska Convention of Southern Baptists (KNCSB). They were called out early this week to assist the people that were hit by the tornado in Reading, KS. All three of them are helping with the Feeding Unit in Emporia, KS at the Twelfth Avenue Baptist Church. There, they are preparing meals and the Red Cross is taking them to Reading to feed approximately 450 people, 3 times a day.

Allen Dawson, along with John Hoefer from First Presbyterian Church and Colin Eaton from Praise Assembly of God church in Derby bought some bottled water at Sam's Club and took it to Joplin, Missouri to help with the disaster relief efforts there. They filled up the church van and trailer with over 200 cases of water containing about 6000 water bottles. The supplies were delivered to Galena Assembly Church in Galena, KS and Forest Park Baptist Church in Joplin, MO. Pray for the residents of Joplin as this devastating tornado will require months and years to recover from.

Operation Outreach: VBS

We have an incredible opportunity to reach Derby this June. VBS is coming quickly and we have specific plans to reach the community this year. Our mission for Pleasantview is to be INTENTIONAL. We pray that your heart is prepared to help us in this project.

This year we are going out to the children to invite them. We have a plan to reach every neighborhood in Derby. On June 5th, we will have a tiki hut set up for you to pick up packages for you to pass to your neighbors. In that package you will receive VBS door hangers and orange bracelets as an invitation for the kids to wear. Pleasantview is a widespread congregation and with the passion of our people, we could really have an impact on Derby. We ask that you go door to door on your street and neighborhood inviting families to VBS.

On Wednesday night, June 15, we will be targeting our Pleasantview neighborhood. We will meet at the church in the Fellowship Hall at 6:30 pm. Please bring your family and we will work together to reach all those in this area.

We look forward to see how God is growing Pleasantview. We ask that you be a part of pursuing Christ's calling for our lives...reaching the lost and building His kingdom.

VBS: Family Day, Beach Party

On Sunday, June 26th we will be having our VBS: Family Day. This year we will be hosting a Beach Party for all of the families of our VBS children. It will be a wonderful opportunity for the PBC church body to work together to serve the visiting families that God has blessed us with throughout VBS week. In order to make these visiting families feel welcome at PBC, we are asking the teachers who have worked VBS throughout the week, to attend with their families and make an effort to connect with the visiting families during the Beach Party.

Those who were unable to teach throughout the week, have an awesome opportunity to serve during Family Day. Our Family Day Beach Party will be similar to Trunk or Treat. We are asking that Lifeline groups each commit to working one of the activities on that day. Lifeline leaders can expect to be contacted through email. If you are not in a Lifeline group, and are willing to serve, please contact Jenny Long at jenny@pbcderby.com, and we will get you plugged into a role that fits your strengths. We hope to keep all serving opportunities to a maximum of 30 minutes, so that everyone will have plenty of time to eat and enjoy the Beach Party.

June 26th, Family Day Schedule:

- 8:00 - Classic Worship Service
- 9:15 - Sunday School, set-up for the Beach Party will begin
- 10:30 - An abbreviated Worship Service focusing on the week of VBS
- 11:15 - Beach Party begins outside

We are excited about our 2011 Family Day, and ask that you join us in praying for a successful VBS week and VBS Family Day!

June's Worship on the First

We have a special event planned for Worship on the First, June 5th. Our meal will begin at 5:30 as usual, and at 6:15 we will have a special guest lead us in a training that will equip us to share the plan of salvation in a way that is understandable to a child. Anyone who has children, works with children, or has a heart to see children grow in their knowledge of Christ, will want to be a part of this! So come and learn an easy method in sharing the Gospel with children! You'll see fun visuals and tools that can be used in Counseling a Child for Salvation. Each person will take these tools and visuals home! Childcare will be provided for children birth through 6th grade.

VBS Workers Needed

We are still in need of more kitchen workers and a Missions Assistant teach for the week of VBS, June 20-24. If you are interested in serving in one of these areas please contact Cheryl Starr at 777-0299.

Kid's Day Out

Kid's Day Out is now registering for Fall of 2011. Limited spaces are available. If you would like to sign up or have questions, please call Winona Franklin at 267-9108.
