

This Week's Prayer Focus: Cherryvale
Week of: April 8, 2018

Location: First Presbyterian Church, Cherryvale

The church participates in the local ministerial alliance and all of their community outreach projects. Our church's outreach projects include free community dinners on Wednesday nights, Veteran's Day dinner each year for veterans and their families, Christmas Eve Candlelight Service, area blood drives with Red Cross four times a year, taking our turn hosting the community Men's Breakfast and raising money and food donations for the local food bank. We let the food bank host their annual dinner fund raiser using the kitchen and gym. We also open the church gym to the area youth basketball teams for practice.

Prayer Request: Prayers are requested for our community outreach programs.

Contact: Rev. Stephen Porter and Lydia Collins, Clerk
