

**This Week's Prayer Focus:** Dodge City  
**Week of:** April 15, 2018

**Location:** First Presbyterian Church, Dodge City

**Mission Focus:** The Friendship Feast Association of Dodge City uses the church facility to serve 85 to 150 hungry individuals five days per week. During times when the public schools are closed, the number fed swells to 200 persons. A majority of them are hungry children. Church members continue to volunteer and to donate to the only free feeding program in western Kansas. The church houses a second congregation, El Divino Nino, a Spanish-speaking Lutheran congregation which worships at 5:00 p.m. each Sunday afternoon. The congregation is a mission of the Presbytery of Southern Kansas.

**Prayer Request:** Please pray for the congregation as we struggle to have a vital, mission driven congregation while maintaining our large facility and facing our dwindling membership.
