

This Week's Prayer Focus: Grace

Week of: April 22, 2018

Location: Grace Presbyterian Church, Wichita

Mission Focus: We live out our call to be the body of Christ in many ways. We serve God's youngest children through our Jacobs Learning Ladder pre-school and adventure club. Ministry to children and youth is central to who we are. Our tutoring ministry is a 20 year partnership with Hyde Elementary School. We are also active at Robinson Middle School. Our youth mission trip is the highlight of our youth program each year. In 2017 our youth traveled to Chicago to serve. We provide bus tickets and an opportunity to worship for our guests once a month. Our partnership with the International Rescue Committee and our Refugee team is a new ministry at Grace. Our longest running mission is our Economy Corner partnership with First Presbyterian. We are grateful for the opportunity to support missionaries in Uganda and Sudan as well as local mission in Wichita. In the fall of 2017 we began Messy Church, a monthly worship experience designed for children and their families.

Prayer Request: Pray for us as we seek to shine God's light in our community.
