

This Week's Prayer Focus: Westwood
Week of: May 13, 2018

Location: Westwood Presbyterian Church, Wichita
Theme: "Serve the Lord with Gladness"

Mission Focus: Westwood continues to reach out to our neighbors by hosting the Annual Neighborhood Night Out Party and participating in LOVE Wichita. Westwood cooks provide a meal to members of the congregation who have been hospitalized or have a special need. Westwood helps sponsor the Medical Mission trip to the Dominican Republic each March. A team of 60 from the US and Canada, perform 250 surgeries, see 2000 patients and provide free medications. The gospel message is shared with **many that are saved**; deciding to follow Jesus. Westwood provides funds for medications, Spanish Bibles, and tracts, and prepared patient care packages. Each year, a **several** members of the church **go** on the two-week mission trip.

Westwood supports missionaries abroad and locally.

Prayer Request: Please pray for those who serve on the Medical Mission team, for the great medical and spiritual needs that they fill and all those who accept Jesus as Savior during the mission trip each year. Please pray for the Christians who continue to daily spread the Word in hostile environments. Please pray that 2018 will move forward according to God's desire and that those in leadership positions will be filled with the Holy Spirit's wisdom as they seek to continue building a support system for our disciple-making process.
