

This Week's Prayer Focus: Lyons

Week of: May 20, 2018

Location: First Presbyterian Church, Lyons

Mission Focus: Location: First Presbyterian Church, Lyons

Mission Focus: This year, we had a very diverse range of mission projects. Valentine gift cards are sent to college students. We take donations four times a year for Shots for Tots which assists local children with getting the shots that they need in order to attend school. Our Mitten, Hat, Socks, Undies and other clothing articles mission also provides much needed clothing for local school children. We gave to the Goodfellows, a group who provides Christmas boxes full of toys and food for local families in need. The church collected change for the local Habitat for Humanity and Rice County United Way. We gave monies to Northern Rice County Food Bank, Rice County Council on Aging for bus ride tickets and for an after school program at a church. We put together 50 Hygiene Kits for Disaster Relief and they were delivered to Wichita and given to those in need. We are a sponsor for Relay for Life. In 2017, the church turned 144 years old. In 2018 we are planning on a community birthday party to celebrate our 145th for the church.
