

**This Week's Prayer Focus:** Covenant Church  
**Week of:** June 3, 2018

**Location:** Covenant Presbyterian Church, Wichita

**Mission:** Covenant is called together by God in west Wichita to worship, to reach out, to learn, and to serve as a covenant community of faith to the glory of Christ Jesus our Lord. That is our Mission Statement and we truly live by it.

At Covenant, Mission, is taken very serious both locally and globally. We send mission groups to the Lord's Diner, Presbyterian Manor and His Helping Hands, just to name a few. At least once a year you will see our youth doing mission work locally in Wichita and the surrounding area and in other states. Our members can be seen delivering Meals on Wheels, building wheelchair ramps in the area, volunteering at the Kansas Food Bank and serving meals to homeless families through Family Promise at Hope Mennonite. We have helped the Korean Church with implementing their Young English Speaking Worship service. A representative from Covenant will be going on the Cuba Mission Trip this year. Each year, we provide Christmas for a number of families in need. Our very own Food Pantry serves at least 300 people a month. If it wasn't for our volunteers that have a mission to help serve those in need our pantry would not be able to be open 5 days a week. Both Presbyterian Men and Presbyterian Women doing many fundraisers throughout the year to help support various mission focuses for their group.

We offer mission support to our Presbyterian Missionaries. Currently, we rare supporting, Rev. Choon Lim and Yen Hee Lim who are serving in East Asia. We contribute to the Presbyterian Church (U.S.A.) special offerings: Peacemaking Offering, Pentecost Offering, Birthday Offering and Joy Offering.

**Prayer Needs:** Continue to use the members of Covenant to serve you Lord in all aspects of life and open new ways for us do mission locally and globally.
